Subject: Message: [REDACTED] Re: Increase of Crime (Carson Street and Main)

Mayor,

[REDACTED] is the owner of the shopping center property located on the corner of Carson Street and Main (El Pollo Loco Restaurant).

[REDACTED] is very concerned about the increase of crime via his property within the last six-months.

[REDACTED] says he has contacted the Sheriff's requesting increase patrol, but would like the City to set up a Sheriff's Substation via his property in hopes of deterring vandalism.

[REDACTED] says his last resort would be to sale his property and leave the city of Carson, which he doesn't want to do especially since he has owned the property since 1983.

[REDACTED] is requesting a returned phone call from you and/or the City Manager.

Thank you.

Val
